

The Pregnancy Testing & Resource Center of Jasper has launched their annual fundraiser, BABY BOTTLE BOOMERANG. Empty baby bottles are available for pick up at the church. There is a blue tub on the table in the Easter Wing with the empty bottles. There are also cards giving information about PTRC operation and ongoing needs they have.

You are encouraged to pick up a bottle and fill it with your donation. The bottles can be returned to the church or left at the PTRC office at 1707 2nd Avenue in Jasper.

If you have any questions please contact the center at 205.221.5860 or reach out to Susan Long. Thank you for your support.
