

First United Methodist

Wednesday After School Program

The EPIC 456 After School Program is open to any 4th, 5th or 6th grader.

Maddox Intermediate School students will meet Tamara in the school cafeteria right after school and be walked to the church.

EPIC After School will meet every Wednesday from 3:00 – 5:15.

Those attending our Wednesday evening program will go to dinner at 5:15 and attend EPIC Bible Study with Brandy and Stephanie until 7pm.

Those not attending the Wednesday evening activities will need to be picked up in the alley at 5:15.

Students attending the evening activities will be brought downstairs at 7:00 and may be picked up in the alley only. You may either pick them up in carline or come in to get them. We will NOT dismiss them to go anywhere else. Your child's safety is our #1 priority.

Our schedule will be:

3:00 – 3:45 Snack and devotional

3:45 – 4:30 Youth Building/Pocket Park

4:30 – 5:15 Games and Crafts in the EPIC 456 room

5:15 – 5:45 Dinner

5:45 – 7:00 Bible Study

Tamara's Cell – 205-544-0328

Church Office – 205-387-2111

Parents, please discuss with your child what a privilege it is to participate in the EPIC 456 After School Program. Ask them to be respectful of all adults and to clean up after themselves. Last year was quite successful and we had some great fellowship time.

The Bible study time is the most important time of the day and our desire is for the kids to value it as much as the fellowship time.

For your child to participate, please return this page to Tamara or Brandy prior to September 2. Our first day to walk over will be September 5.

If your child wants to bring a friend, that child must have a completed form. Please take extra forms with you in case your child wants to invite a guest. Tamara MUST know ahead of time. She will not allow any child to walk over without permission from the child's parent.

I give permission for my child, _____
to walk from Maddox to the First United Methodist Church on Wednesday
afternoons.

Parent 's Name (printed) _____

Parent's Signature _____

Parent's Cell # _____

Allergies or other health issues we need to know about
