

24 PSALMS OF THANKSGIVING

A MONTH OF THANKS AND PRAISE

DEVOTION GUIDE

NOVEMBER 4 - DECEMBER 1, 2018

FIRST UNITED METHODIST CHURCH
JASPER, ALABAMA

Introduction

When an emotional connection is needed during the up and down roller coaster ride of life, the Psalms have always been a place of refuge for our soul. Whether it was a word of comfort during a crisis or a word of praise to express the goodness of God, we turn to the Psalms.

During the month of November we will read twenty-four Psalms of thanksgiving. Some will be very similar, others will be strikingly different. But each one will do one thing and that is offer a word of thanksgiving to our Almighty God. Some were written in very difficult and trying circumstances, others were written from the mountaintop of spiritual experience. They will all offer a word of thanks and praise.

None of them are real long and time consuming, some are very short. Slow down and identify with the writer. Enter into his world and sense his grateful heart. Savor the richness of the text and let God resonate the words with your spirit.

Include as part of your prayer time following the reading of the Psalm a particular prayer for something in your life you are thankful for. Try to focus on something different each day. There is a page in the back to record your thanksgiving. At the end of the month you will be able to see where the Lord has led you each day and the many things you are thankful for.

As our practice, my email daily devotions will follow along our reading of these Psalms. If you don't presently receive my daily devotion, email me at abeasley@jasperfirstumc.com and I will be glad to add you.

Let's give thanks to the Lord!
