25 Jesus did many other things as well. If every one of them were written down, I suppose that even the whole world would not have room for the books that would be written. - John 21:25

Introduction

With this Devotion Guide we will complete three years of making available a guide which enables us to read and study scripture together and as well as encouragement to pray daily. We have spent most of our time in the New Testament but have ventured into books of the Old Testament which can be read as devotional material. During the next three and a half months we are going to read the four Gospels in succession as they appear in the Bible, Matthew, Mark, Luke and John. In the three years we have read each of these books multiple times but never back to back. We will read one chapter per day. This will give us a chance to gain perspective on the same or similar stories using the perspective of four different authors. Additionally, you will find stories or teaching found in only one Gospel. I believe it will be a fascinating adventure.

The key to the Devotion Guide is the written devotion provided each day. They are written each morning which allows for a fresh look at what might be some of the most familiar material in the Bible. Within the goodness of God is an on-time word for each person reading. Some days it will jump off the page, on other days it will be quite subtle. Either way, the Lord will speak to each of us. The devotion is sent via email and then posted on Facebook on my personal news feed, our church page and group. Contact me if you want to be added to the email list or link up some way on Facebook. Enjoy the fresh perspective of our read through the Gospels.

Learning and growing together,
