BIBLE STUDY METHOD

Pray, asking God for guidance through His Word and to get rid of other distractions.

Read the passage / chapter and find the one thing that you ponder on or jumps off the page as you read.

S: SCRIPTURE: Which scripture(s) stuck out to you most? Write it down. Feel free to make it a work of art.

O: OBSERVATION: What you think about the verse? What does God seem to be revealing through it? Do any words stand out? Look them up in original Greek or Hebrew. Cross reference scriptures of similar topic to get an overview of the passage. Who is the author addressing? What is the cultural context? Who is the passage about?

A: APPLICATION: How do you apply this little truth to your life? Are there any areas in your life that do not align with the scripture and need to change? Have you seen growth in any areas?

P: PRAYER: Write a prayer asking how to implement this verse in your life. Pray for others who may be dealing with a similar issue. Praise God for his blessings and opening your eyes to his truths.

"For the Son of Man came to seek and save what was lost."

Luke 19:10

Introduction

Imagine a physician observing and participating fully in your life and then writing your story for all the world to read. It would be quite different from a philosopher or an English teacher. There would be diagnostic notes and prescriptions only a physician could include. We will engage this perspective of Jesus for the next eight weeks.

Luke gives us fresh a perspective of the Messiah and it centers around the concept and name Son of Man, the one who came to seek and save the lost. We will encounter some of the most well-know stories and some only he included. We will read the birth narrative in the middle of the year to remind us of the power of His beginning. We will read the resurrection story which is not far removed from our mind. And so many fascinating events in between.

I encourage you to pray for fresh insight from the familiar stories we will read. Don't skim a story you already know. Read with new eyes and God will speak powerfully into you. I chose eight weeks so we could slow down and cover a shorter amount of material each day and discover truth afresh.

The daily devotions will be sent via email and posted on Facebook. My email address is abeasley@jasperfirstumc.com.
